Volume 29

The Staff would like to express our appreciation for our heritage in the American Educational Plan.

Stalwart forefathers braved the elements of West Texas prairies to establish homes and communities. The one room school house accompanied each group.

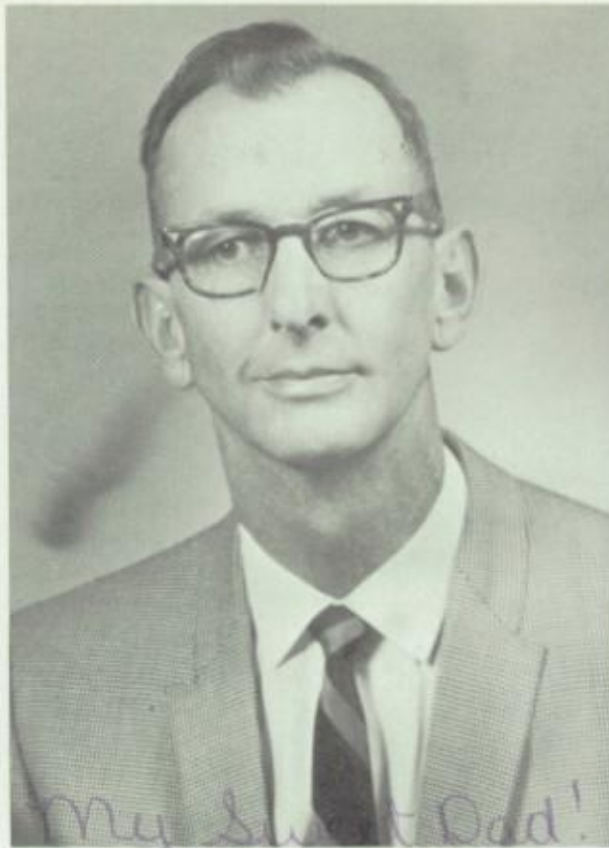

Hardships of sparse water, little timber, and blowing sand seemed only to increase the stamina of our pioneers. Proper upbringing of their children was a primary aim of the families.

Then, black gold, was discovered. The brusque oilmen added their zest to the educational system. Money became more plentiful. Wisely, the money was utilized in long range educational planning.

As a result, we, the fortunate descendants, are exposed to the best educational opportunities available.

Senior Resume'

As we, the Seniors of '71, near our final goal, graduation, we wish to look back on some of the happy memories, we have had during our four years of High School.

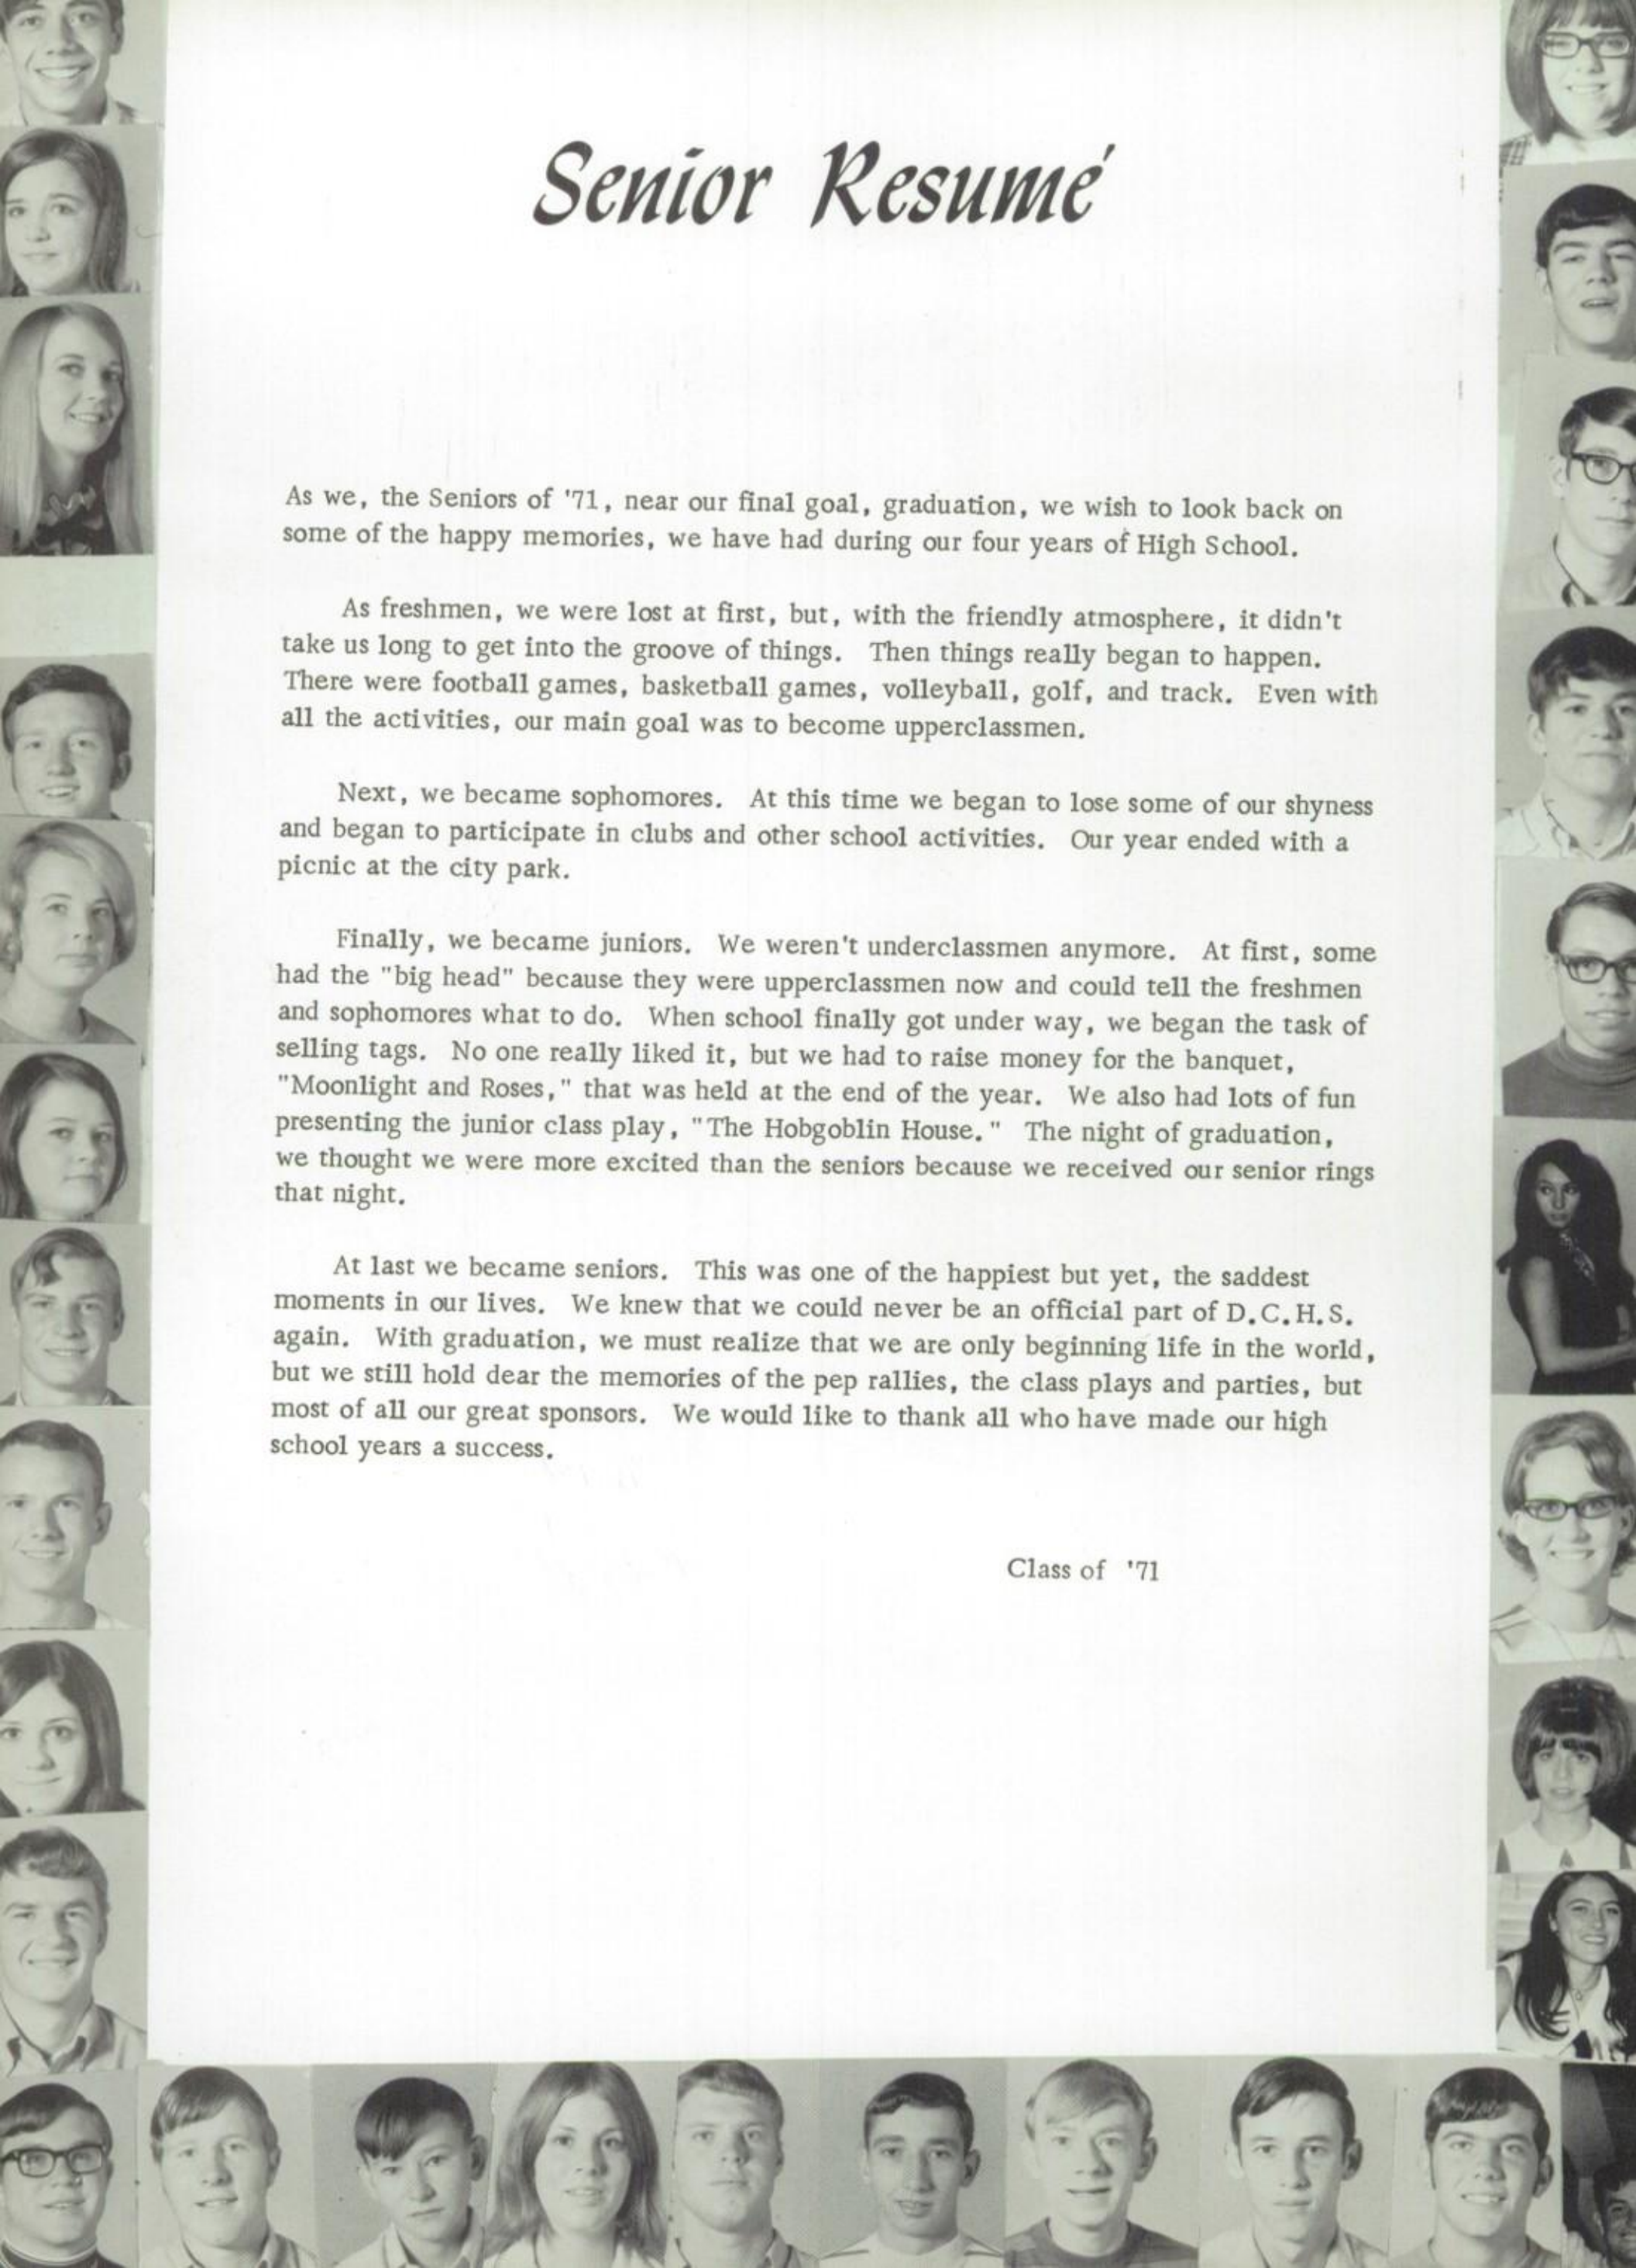

As freshmen, we were lost at first, but, with the friendly atmosphere, it didn't take us long to get into the groove of things. Then things really began to happen. There were football games, basketball games, volleyball, golf, and track. Even with all the activities, our main goal was to become upperclassmen.

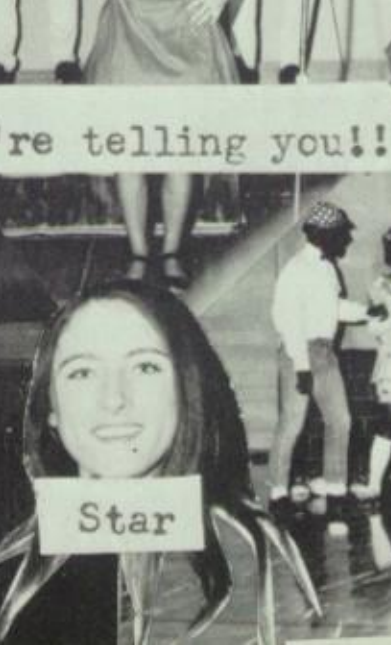

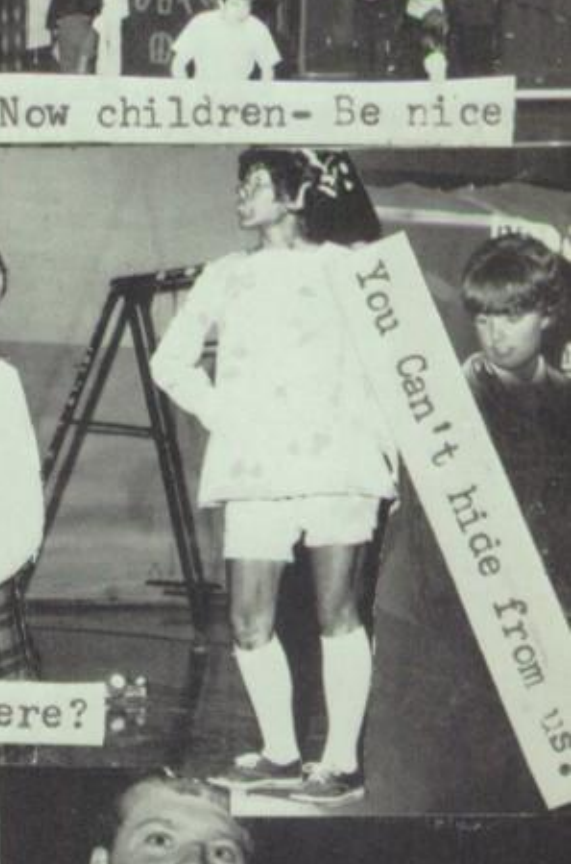

Next, we became sophomores. At this time we began to lose some of our shyness and began to participate in clubs and other school activities. Our year ended with a picnic at the city park.

Finally, we became juniors. We weren't underclassmen anymore. At first, some had the "big head" because they were upperclassmen now and could tell the freshmen and sophomores what to do. When school finally got under way, we began the task of selling tags. No one really liked it, but we had to raise money for the banquet, "Moonlight and Roses," that was held at the end of the year. We also had lots of fun presenting the junior class play, "The Hobgoblin House." The night of graduation, we thought we were more excited than the seniors because we received our senior rings that night.

At last we became seniors. This was one of the happiest but yet, the saddest moments in our lives. We knew that we could never be an official part of D.C.H.S. again. With graduation, we must realize that we are only beginning life in the world, but we still hold dear the memories of the pep rallies, the class plays and parties, but most of all our great sponsors. We would like to thank all who have made our high school years a success.

September 11, the Mustangs hosted the Seminole Indians on Mustang Field. Leading the score for three and one-half quarters, the Mustangs succumbed to an Indian fourth quarter comeback and were defeated 13 - 7.

Brownfield Cubs jolted the Mustangs on the Cub's field by scoring 13 points in the first quarter - Big Red settled down to play-to-play football for the rest of the game. The Cubs triumphed with a score of 25 - 12.

Mustangs opened the district 4 AA play with 8 - 0 victory over the Slaton Tigers on the Tigers home field. Scoring the 8 points early in the game, the Mustangs were able to hold Slaton scoreless.

The D. C. Mustangs traveled to Jal to play the Panthers on their home field. The first half ended in a scoreless tie, but the Mustangs came back in the third quarter to put 6 points on the scoreboard. The enraged Panthers scored 19 points in the fourth quarter to come out victorious 19 - 6.

Big Red assured a glorious homecoming with a smashing victory over the Tahoka Bulldogs 24 - 7. The Mustangs struck early, gaining two touchdowns in the first quarter. Each team scored during the third quarter. The Mustangs climaxed the victory with another touchdown during the fourth quarter.

Mustangs showed power and razzle-dazzle in first few seconds of the game. Jim Youngblood made two 60+ yard runs, one a punt return and another from scrimmage. Stubborn D. C. defense held Ralls scoreless and completely dominated the entire game with ball control 32 - 0.

Mustangs led at end of first half 6 - 0. Frenship struck quickly after intermission and led 7 - 6. Great defensive play stunted Frenship's move on their next drive, and D. C. went on to trounce the Tigers 32 - 7.

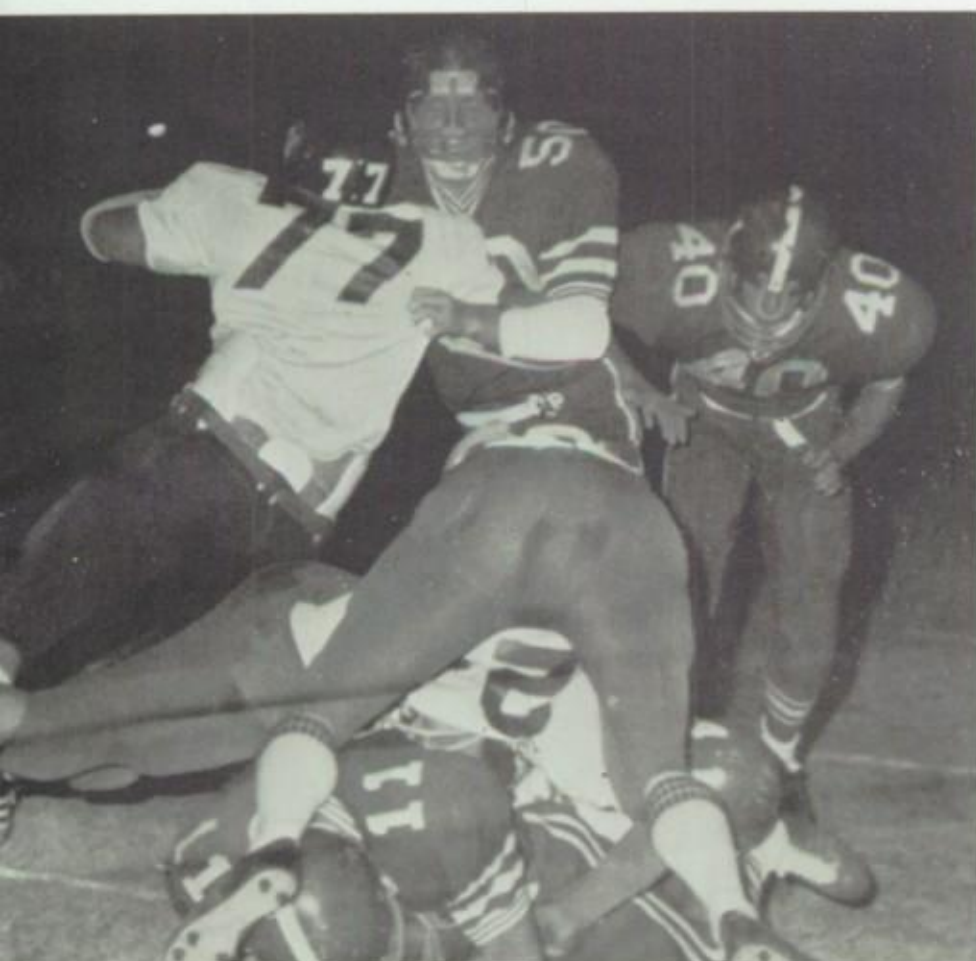

On a cold rainy night, the Mustangs drew first blood scoring 8 points. Half-time score was 14 - 0. The defense team held the Roosevelt Eagles scoreless while offense added 12 points to make a final score of 26 - 0.

Mustangs downed the Post Antelopes 46 - 28 in a high scoring match. This gave Big Red a 6 game winning streak.

In a close-close game, the Mustangs defeated Floydada 20 - 15. The half-time score was 14 - 8. The explosive Whirlwinds came back second half and in three big plays led the score 15 - 14. With 44 seconds left in the fourth quarter, the Mustangs plunged ahead 20 - 15.

In regional play-off, the Childress Bobcats ended a 9 game winning streak at Lowrey Field in Lubbock by defeating the Mustangs 27 - 8.

In a completely Mustang dominated game, Big Red defeated Idalou 56 - 0. This win gave the Mustangs a 7 - 0 district record.

Dear Sommy, (MARCIA Jan Mead)

If this note sounds like someones note that I have already written, don't think I write the same thing. Sommy, I know you are one of the sweetest boys in Denver City. you have a great attitude towards things that some people can't take. Keep up your good looks, personality, and other things. Also Sommy don't ever let anyone get you down.

Love,

Marcia
